Introduction 01

Touch Digital Multimeter 03

Intelligent measuring instrument04

▶ Could Instrument Series

▶ Handheld Economic Process Calibrator

▶ Handheld multifunction calibrator

▶ Handheld economic process calibrator

▶ Volt/mA calibrator

▶ Thermocouple/RTD calibrator

▶ Basic power quality tester

▶ Insulation multimeter

▶ Multifunction data logger

Indoor air quality monitor/controller & transmitter16

▶ Desktop temperature and humidity monitor with SD card

▶ Desktop environment monitor

▶ Desktop/ Wall mount/Wall embedded indoor air quality monitor

▶ Wall embedded/Wall Mount/Duct mount indoor air quality monitor and controller

▶ New home thermostat

▶ CO₂ controller for agricultural application

▶ Wall mount/Duct mount temperature and humidity transmitter

▶ CO₂ transmitter

Environmental testing instrument28

▶ Temperature & humidity meter

▶ Thermometer

▶ Anemometer

▶ Tachometer

▶ Microwave leakage tester

▶ Moisture meter

▶ Light meter

▶ Pressure meter

▶ Sound meter

▶ Thickness meter

▶ PH meter

▶ Salt meter

▶ TDS meter

▶ Conductivity meter

▶ Infrared thermometer

Electric instrument and DC power supply44

▶ Bench-multimeter

▶ LCR meter

▶ Touch digital multimeter

▶ Multimeter

▶ Economic multimeter

▶ Analogue multimeter

▶ Automotive digital multimeter

▶ Clampmeter

▶ Laser distance meter

▶ Voltage detector

▶ Battery tester

▶ Socket tester

▶ Network cable tester

▶ Phase detector

▶ DC power supply

▶ Test lead and thermocouple

Touch Digital Multimeter

Touch pad operation

Water proof IP67

Auto detect scan function

Li-battery supported

Wireless chargeable

Wifi network supported
